Happy New Year to You All

Proceeds from the December coffee morning amounted to £260.

Christmas has come and gone since the last newsletter. Our Carol Service was well attended and we all enjoyed the musical contributions from Glen Philp. Audrey Giles announced the opening of the Christmas gift envelopes, the contents of which amounted to £209 for chapel funds. After the service we all enjoyed mince pies and a cup of tea.

The collection taken during the Carol Service was for St.Petroc's Society and this amounted to £73 which has been forwarded to St.Petroc's Society.

Over the Christmas period food items were collected for STAK (St.Austell Community Kitchen). These items, along with a cheque for £20 which was the money collected from our STAK collecting box at coffee mornings, have been delivered to STAK's premises in High Cross Street by Owen and Shirley. We have since received a letter of thanks from STAK.

On Christmas Day at 10:00 a.m. we tried something different by holding a short celebration with carols and readings. This was well attended.

Unfortunately there was a lot of sickness and some bereavement over Christmas and the New Year. My husband has been very ill but is now making slow progress. Our thoughts and prayers are with anyone who is going through difficult times.
