

## Nanpean Methodist Church

Newsletter No.112

April 2012

We have received a letter from Cornwall Air Ambulance thanking us for the cheque for £231.30, which was the total raised at our March coffee morning. Once again we appreciate your support in helping our local charities.

As you probably know Owen has had his hip operation and is making a good recovery.

On Sunday 25<sup>th</sup>. March it was the 139<sup>th</sup>. anniversary of when the original chapel was built. Rev Derek led the service, his theme being, "the past, present and future". Who knows what life will be like in the next 140 years.

We are making plans for cream teas when the Olympic flame is carried through Cornwall. Methodist chapels in Cornwall are hoping to set a record of the most cream teas served on May 19<sup>th</sup>. 2012. So come and join us. There will be more details in our May newsletter.

There will be no children's activities this month as some of the young people are attending Spring Harvest.

Just a reminder that at the end of March, our bottle bank collection ceased after many years, due to Cornwall Council's change in waste collection and recycling provider. Although we will not have a bottle bank at the chapel car park the new waste collection and recycling provider, Cory Environmental Municipal Services, will collect glass bottles as part of their household recycling scheme fortnightly. So please put your bottles out in the re-usable containers which have been provided by Cornwall Council.

### Children's Activities:-

Wii Club – None this month.

Christians R Us – None this month.
